SILVER GELLING FIBER
DRESSING

SLK MEDICAL

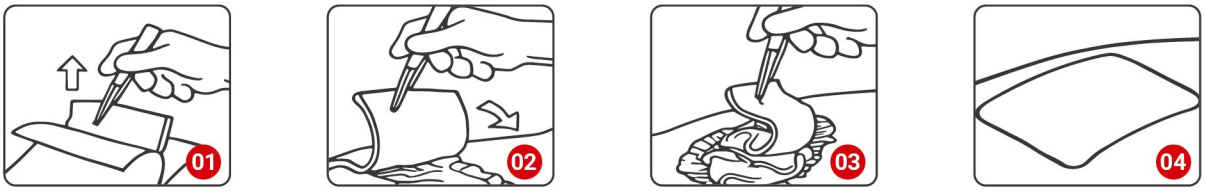

DESCRIPTION

Alexer® silver gelling fiber dressings are a sterile, soft and highly absorbent wound dressing designed for the management of moderate to heavily exuding wounds.

- Rapid Absorption & Exudate Retention
- Soft Gelling on Contact with Exudate
- Antimicrobial Protection with Silver
- High Wet Integrity
- High Absorbency for Exuding Wounds
- Conforms to Irregular & Cavity Wounds

HOW TO USE IT

INDICATIONS

Alexer® silver gelling fiber dressing is intended for the management of moderate to heavily exuding acute and chronic wounds, including:

- Leg ulcers, including venous, arterial and mixed-aetiology ulcers
- Diabetic foot ulcers
- Pressure injuries / pressure ulcers
- Traumatic wounds
- Post-operative and surgical wounds
- Partial-thickness burns
- Donor sites
- Cavity wounds
- Oncology wounds with exudate
